Q. Where was your office at the time, 15:17:02  
this late 2004, early 2005 time period? Not in 15:17:04  
Somerset, was it? 15:17:10

A. No, my office is based in the Veeco 15:17:12  
corporate office in Woodbury. 15:17:16

Q. And were there occasions on which 15:17:20  
Jefferson Wells people came to Woodbury? 15:17:27

A. Yes, they did. 15:17:31

Q. And what did the Jefferson Wells 15:17:32  
people do when they came to Woodbury? 15:17:34

A. Principally two items, I recall. 15:17:42  
The first item was when they reviewed the work 15:17:46  
prepared by management with respect to the 15:17:50  
revenue adjustments. All of those accounting 15:17:52  
records are kept at the Woodbury facility. When 15:17:54  
they reviewed the work, they reviewed that at 15:17:59  
Woodbury. 15:18:02

And second, any presentations or 15:18:04  
reports that they would have given to the audit 15:18:09  
committee, they may have done in person or by 15:18:13  
phone in Woodbury. I'm not sure. 15:18:17

Q. Did the audit committee meet at 15:18:19  
Woodbury? 15:18:21

A. The audit committee did meet in 15:18:23

167

1 John Kiernan

2 Woodbury. I don't know, with respect to 15:18:25

3 specifically meetings during this time period, if 15:18:29

4 they were telephonic meetings or there were 15:18:34

5 meetings in Woodbury. I don't recall. 15:18:36

6 Q. I see. 15:18:47

7 What was the cost of what has been 15:18:58

8 described in Veeco documents as the investigation 15:19:02

9 that included -- that -- in which Jefferson Wells 15:19:07

10 did, in part which you've described and I assume 15:19:10

11 some other things -- 15:19:14

12 MR. HERFORT: How much money was 15:19:15

13 Jefferson Wells paid? 15:19:16

14 MS. BRODERICK: Oh, it wasn't only 15:19:18

15 Jefferson Wells that got paid. 15:19:19

16 Q. Isn't that right? 15:19:20

17 MR. HERFORT: What is the -- how is 15:19:24

18 this likely to lead to discoverable 15:19:25

19 evidence? 15:19:27

20 Q. You can answer the question. 15:19:28

21 MR. HERFORT: Wait a minute. Wait. 15:19:29

22 You've got to put some parameters on 15:19:31

23 your question. What costs are you talking 15:19:33

24 about? 15:19:34

25 Q. There was an investigation; right? 15:19:38

1 John Kiernan

2 And Jefferson Wells got paid and at least one 15:19:39  
3 other entity got paid. 15:19:43

4 MR. HERFORT: Who is that? 15:19:45

5 MS. BRODERICK: You know perfectly 15:19:46  
6 well. 15:19:47

7 Q. What was the cost of the 15:19:49  
8 investigation? 15:19:50

9 MS. BRODERICK: Let's not waste 15:19:51  
10 time. 15:19:52

11 MR. HERFORT: I'm going to instruct 15:19:52  
12 him not to answer. 15:19:52

13 MS. BRODERICK: You are? 15:19:54

14 MR. HERFORT: Yes. 15:19:55

15 MS. BRODERICK: You know you're not 15:19:55  
16 supposed to do that. 15:19:56

17 MR. HERFORT: I think that gets into 15:19:57  
18 the work product area. 15:19:57

19 MS. BRODERICK: The cost of an 15:19:58  
20 investigation -- 15:20:00

21 MR. HERFORT: The checks that they 15:20:00  
22 wrote to Jefferson Wells and Kaye Scholer 15:20:01  
23 for work product -- 15:20:04

24 MS. BRODERICK: For one thing, for 15:20:05  
25 God's -- 15:20:06

169

1 John Kiernan

2 MR. HERFORT: Carole, keep your 15:20:07

3 mouth shut and let me listen to him. Okay? 15:20:08

4 You've got to cool it. I want to -- let's 15:20:11

5 do this professionally. All right? 15:20:13

6 MS. BRODERICK: You should start. 15:20:15

7 MR. HERFORT: You start too. 15:20:16

8 Let me talk to -- Mr. Wallin wants 15:20:17

9 to talk to me. Let me talk to him. Don't 15:20:18

10 start yelling. 15:20:21

11 (Discussion off the record.) 15:20:21

12 (Counsel leave the room.) 15:20:24

13 THE VIDEOGRAPHER: 3:21 p.m. We're 15:20:40

14 going off the record. 15:20:41

15 (Recess from the record.) 15:20:43

16 THE VIDEOGRAPHER: Time is 3:30 p.m. 15:30:19

17 We're back on the record. 15:30:21

18 MR. HERFORT: Miss Broderick has 15:30:23

19 some questions involving numbers, and let's 15:30:24

20 proceed and have them -- 15:30:26

21 MS. BRODERICK: Would you read the 15:30:28

22 question back and maybe this time he'll 15:30:28

23 answer it. 15:30:31

24 MR. HERFORT: -- have them asked. 15:30:32

25 (Record read.) 15:30:42

170

1 John Kiernan

2 A. My recollection was in the range of 15:30:42  
3 about \$800,000. 15:30:46

4 Q. And is that cost approximately what 15:31:00  
5 Veeco expected when the investigation was 15:31:01  
6 started? 15:31:05

7 A. I don't recall what our initial 15:31:09  
8 estimate was. 15:31:11

9 Q. Well, let's come at it another way. 15:31:14  
10 Did the cost of the investigation 15:31:16  
11 come as a shock to you? And by "you," I mean 15:31:18  
12 Veeco and not you personally, Mr. Kiernan. 15:31:20

13 A. No, I don't believe so. 15:31:25

14 Q. And what was Veeco getting for the 15:31:29  
15 \$800,000? 15:31:30

16 MR. HERFORT: Let's just -- haven't 15:31:34  
17 you really covered at some length the 15:31:39  
18 actual work that was done? 15:31:41

19 MS. BRODERICK: Let me decide. 15:31:43

20 MR. HERFORT: You do have some 15:31:45  
21 rights, that's true. 15:31:46

22 MS. BRODERICK: Yes, I do. You 15:31:47  
23 know, what amendment was it that gave us 15:31:48  
24 the vote? 15:31:50

25 MR. HERFORT: It's not what we're 15:31:51

1 John Kiernan

2 talking about. 15:31:52

3 MS. BRODERICK: I know you'd rather 15:31:54

4 appeal it, but it's not for you to do. 15:31:55

5 MR. HERFORT: I really wouldn't. It 15:31:57

6 makes for an interesting political system 15:31:58

7 to have characters like you voting. 15:32:01

8 MS. BRODERICK: Careful or you'll 15:32:03

9 get Hillary Clinton. 15:32:04

10 Now, let him answer the question. 15:32:07

11 MS. HIRSH: I'm sorry. 15:32:09

12 MR. HERFORT: Maybe I like -- 15:32:11

13 MS. HIRSH: Right after reading the 15:32:13

14 headline about the Dow falling of 500 15:32:14

15 points. 15:32:19

16 MS. BRODERICK: Oh, really? 500? 15:32:19

17 MS. HIRSH: Something to do with 15:32:20

18 China. 15:32:21

19 MS. BRODERICK: Let's let him answer 15:32:23

20 the question. You know you're not allowed 15:32:24

21 to instruct him not to answer except on the 15:32:26

22 grounds of privilege. 15:32:28

23 MR. HERFORT: You might be getting 15:32:29

24 near. 15:32:30

25 MS. BRODERICK: Well, near is not 15:32:30

1 John Kiernan

2 good enough. 15:32:31

3 MR. HERFORT: You were interested, 15:32:32

4 having gone over the basic work that 15:32:32

5 they've done for the last hour and a half. 15:32:35

6 You want him to repeat it again? 15:32:36

7 MS. BRODERICK: No. I asked him a 15:32:39

8 question. If you're going to instruct him 15:32:40

9 not to answer, at your peril, then do so; 15:32:41

10 if you're not, then -- 15:32:44

11 MR. HERFORT: If you can answer the 15:32:44

12 question without getting into the 15:32:45

13 impressions and conclusions of the people 15:32:46

14 who did the work for you, answer it. 15:32:47

15 A. My understanding is that of the 15:32:51

16 \$800,000, that was principally paid to three 15:32:54

17 firms. That it was paid to Ernst & Young for 15:33:02

18 additional audit work that they performed. It 15:33:07

19 was paid to Kaye Scholer to lead the 15:33:12

20 investigation. And it was paid to Jefferson 15:33:15

21 Wells for the work they performed. 15:33:18

22 Q. And is it -- what was your 15:33:21

23 understanding about -- I understand who you paid 15:33:26

24 it to -- about what you got for your \$800,000? 15:33:30

25 It's a lot of money. 15:33:35

1 John Kiernan

2 MR. HERFORT: Read the question back 15:33:37  
3 again, please. 15:33:38

4 (Record read.) 15:33:39

5 MR. HERFORT: I'll object as to 15:33:55  
6 form. 15:33:55

7 I think this has been gone over and 15:33:56  
8 over and over again for the last two hours. 15:34:00

9 MS. BRODERICK: Cry. 15:34:03

10 A. My recollection is that each one of 15:34:07  
11 those three firms billed to Veeco on an hourly 15:34:08  
12 basis for the work that they performed. 15:34:13

13 Q. Let me put it a different way. 15:34:16

14 What purpose -- what benefit did you 15:34:20  
15 derive for the \$800,000 that you paid to these 15:34:25  
16 people? 15:34:30

17 A. The audit committee engaged Kaye 15:34:36  
18 Scholer to perform an investigation under their 15:34:40  
19 direction, and they're reporting directly into 15:34:42  
20 the audit committee. I'm not privileged to what 15:34:47  
21 they performed in that regard. 15:34:50

22 Work performed by Ernst & Young 15:34:56  
23 included additional audit procedures to review 15:34:59  
24 the adjustments and the account analysis that was 15:35:06  
25 performed that was outside of the original scope 15:35:08

1 John Kiernan

2 of their intended audit work, and that Ernst & 15:35:10  
3 Young did these additional procedures in order to 15:35:14  
4 be able to render an opinion on the financial 15:35:17  
5 statements, which they ended up rendering their 15:35:20  
6 opinion on the financial statements. 15:35:24

7 Jefferson Wells reviewed the work 15:35:28  
8 that was performed by management and also did 15:35:32  
9 forensic work. 15:35:35

10 Q. And what benefit did the company 15:35:37  
11 derive from that? 15:35:39

12 A. I think that was -- the work that 15:35:52  
13 was performed by Jefferson Wells enabled Ernst & 15:35:54  
14 Young to be able to render their opinion on 15:36:02  
15 Veeco's financial statements, and that was a 15:36:09  
16 requirement. 15:36:13

17 Q. Did the work done by Jefferson Wells 15:36:16  
18 also enable Ernst & Young to render their opinion 15:36:19  
19 on Veeco's internal controls? 15:36:24

20 A. I believe they considered the work 15:36:36  
21 performed, but I don't know what -- the exact 15:36:37  
22 reliance that they may have attributed to the 15:36:41  
23 work performed by Jefferson Wells. 15:36:45

24 Q. Okay. Did there come a time in the 15:36:47  
25 third quarter of 2004 that you, Mr. Kiernan, 15:37:44

2	Q. You can answer the question?	17:02:13
3	A. I think I thought I did answer the	17:02:15
4	question, but a portion of that investigative	17:02:17
5	activity was used to assist us in -- us being	17:02:23
6	Veeco financial management in creating and	17:02:29
7	correcting -- creating the required entries and	17:02:33
8	adjustments and developing financial statements	17:02:39
9	on a correct basis and so a portion of that	17:02:46

ROUGH ASCII VEECO-REIN 2-28-07

10 activity was in that -- in assistance in that 17:02:52

11 regard. And that was required before Ernst & 17:02:56

12 Young could audit our and given an opinion on our 17:02:59

13 December 31, 2004, financial statements. 17:03:03

14 Q. So it was necessary for Ernst & 17:03:06

15 Young's opinion; right? 17:03:08

16 MR. SERIO: Objection to the form. 17:03:10

17 A. A portion of the activities were 17:03:11

18 necessary. 17:03:13

19 Q. That's the audit opinion; is that 17:03:14

20 correct? 17:03:16

21 MR. SERIO: Objection to the form. 17:03:16

22 Q. Meaning the opinion on Ernst & 17:03:18

23 Young -- on Veeco's financial statements; right? 17:03:20

2 MS. BRODERICK: Good grieve. I 17:03:32

3 thought it was his stomach. 17:03:34

4 A. I'd like to just clarify what the 17:03:41

5 question -- 17:03:43

6 Q. Okay. You described financially -- 17:03:44

7 financial statement activity that was being 17:03:49

8 performed by Jefferson Wells; isn't that correct? 17:03:51

9 A. Well, I described financial activity 17:03:54

10 was being performed by Veeco financial management 17:03:56

11 and there was some assistance based on some of 17:04:01

12 the work that Jefferson Wells did. 17:04:03

13 Q. Yes. And then you testified, did 17:04:06

14 you not that had that activity was necessary for 17:04:08

15 Ernst & Young to issue its opinion; is that 17:04:13

19	MS. BRODERICK: Turn it off.	17:04:20

25	Q. okay?	17:04:48

1	UNPROOFREAD ROUGH DRAFT/WORKING COPY ONLY	
2	A. It was necessary for Veeco	17:04:48
3	management to get their financial accounts and	17:04:50
4	financial statements correct before Ernst & Young	17:04:54
5	would certify to our statements or we could ask	17:04:56
6	them to review and audit the underlying financial	17:05:01
7	statements. And part of the Jefferson Wells'	17:05:05
8	activity was utilized to assist us in verifying	17:05:09
9	that the accounts were correct.	17:05:15
10	Q. So part of the Jefferson Wells'	17:05:16
11	activity was an activity which was engaged in for	17:05:18
12	the purpose of correcting records which was	17:05:28
13	necessary to do to get Ernst & Young to certify	17:05:31
14	veeco's financial statements; is that correct?	17:05:37
15	MR. SERIO: Objection to the form.	17:05:40
16	A. It was -- we utilized Jefferson	17:05:43
17	wells' activity to verify that what management	17:05:47
18	had come up with, which is what Ernst & Young was	17:05:51
19	looking at, was accurate.	17:05:55
20	Q. Okay. So part of what Jefferson	17:05:58

23 isn't that right? 17:06:10

24 MR. SERIO: Objection to the form. 17:06:11

3 Q. It's yes or no; is that correct? 17:06:15

4 MR. SERIO: Objection to the form. 17:06:17

5 A. I don't think it is. I don't think 17:06:18

6 it is yes or no. I think I gave my explanation. 17:06:19

7 Q. What was the Jefferson Wells' work 17:06:24

8 on Veeco's fixing up TurboDisc's records used 17:06:28

9 for? 17:06:35

10 MR. SERIO: Objection to the form. 17:06:37

11 A. I described that Veeco management -- 17:06:38

12 financial management did the analysis and the 17:06:42

13 correction of the errors that were uncovered. 17:06:49

14 And that a portion of what Jefferson Wells' work 17:06:52

15 was utilized to verify that the amounts and 17:06:58

16 correction of errors that Veeco management, 17:07:04

17 financial management had established were in fact 17:07:07

18 verified by some of the work that Jefferson Wells 17:07:12

19 did. 17:07:14

20 Q. And is it also correct that Veeco 17:07:16

21 gave Ernst & Young Jefferson Wells' work to show 17:07:19

22 Ernst & Young that Jefferson Wells agreed with 17:07:27

23 Veeco management? 17:07:31

8 the accounts may have been given to Ernst & Young 17:08:15

10 Jefferson wells. 17:08:21  
11 Q. Wait a minute. Did Veeco give Ernst 17:08:24  
12 & Young any documents that showed that Jefferson 17:08:31  
13 wells agreed with Veeco management about Veeco 17:08:34  
14 management's correction of TurboDisc accounts? 17:08:40  
15 MR. SERIO: Objection to form. 17:08:46  
16 A. I know that there was a report that 17:08:47  
17 was prepared for the audit committee and for Kaye 17:08:48  
18 Scholer and I believe that that report was shared 17:08:52  
19 with Ernst & Young. I don't know what purpose 17:08:56  
20 that Ernst & Young found with that report. I 17:08:59  
21 also know that were certain analysis there were 17:09:03

23 utilized by Veeco management and may have been 17:09:10

18 MR. SERIO: Objection to the form. 17:10:00

19 A. I think I previously described that. 17:10:01

20 Q. No, this is a yes or no. So far as 17:10:04

21 you're aware, did Jefferson wells' work play any 17:10:06
